# Storytellers

How do you connect **Bob Marley** to **Medicine Hat**?

Well, let me tell you ...

You see, **Bob Marley** was Rastafarian. Rastas view the former Emperor of **Ethiopia**, Haile Selassie, as their spiritual leader. And it just so happens that **Medalta** Potteries in Medicine Hat once created a set of dinnerware for him.

This is one of our stories. There are others. So if you are an eloquent **student** (that means you can captivate a crowd), we'd love to have you **work** for us **this summer**.
