

MEDALTA

in the Historic Clay District

Medalta is an innovative industrial museum, contemporary ceramic arts facility, art gallery, and community hub in Medicine Hat, Alberta, Canada. Framed by the rugged Canadian Badlands landscape along the Transcanada Highway, we are host to century-old industrial archeology, including our iconic beehive kilns – some of the oldest in Canada! For these reasons and many more, we are an officially designated National Historic Site.

EXPERIENCE MEDALTA

Mix and match experiences to create a full itinerary. All options work as stand alone experiences or are complementary to one another. Customization available upon request

All tours include museum admission (\$12.00 value). A tax of 5% is added to the final price. Deposit of 10% required upon booking.

CORE EXPERIENCES

Medalta Beehive Kilns & Factory Tour 1-1.5 hrs

Walk the same floors as the early workers in this historic factory - a time capsule to the beginning of Western Canada's industrial revolution. Enter Medalta's iconic beehive kilns, explore our nationally-recognized archaeological excavations.

Availability: Year round, on your schedule!

The Bricks that Built the Badlands 2 hrs

Between stunning cliffs and coulees sits an industrial gem: the Medicine Hat Brick & Tile Factory. Discover the stories and people that shaped the settlement of the Badlands, from 1886 to the factory's end by flood in 2010.

Availability: Suggested May-October.

Play in the Mud! 2 hrs

Clay is a unique material - it can offer immediate satisfaction or endless complexity. Try it for yourself, in a hands-on experience with one of our artists-in-residence. Get messy and find your creativity in the Canadian Badlands!

Availability: Year round, on your schedule!
